

DECLARATION OF CLIENT REQUEST AUTHORIZATION & AGREEMENT

I, the undersigned, request that Nahum Justin Vizakis provide me educational assistance, teaching, tutoring and coaching to facilitate my understanding of health and nutrition, inclusive of actions I might take that might assist me in bringing about more vitality, balance, and adaptive energy for a fuller and healthier lifestyle. In participating in this proactive health advocacy process, any body part, fluid or tissue I choose to tender to learn and help with my own health and for the auditing of it via any mechanical, optical, electrical, photonics or other means is at my sole discretion and done under retained right, and I agree compensation for such services discussed or outlined elsewhere is appropriate.

I understand that Nahum Justin Vizakis has received certification (non-accredited) in Microscope & Nutrition Technology for Health Advocacy and Audit processes through private professional training, has a License as a Master Bodyworker from NSMT (Nevada School of Massage Therapy) and is a certified Fitness Trainer through ISSA (International Sports Science Association) but is not offering nor providing services to me under any government grant, insurance, registration, certification or license as a laboratory, health, agricultural or diet professional.

I understand that the requested services under this agreement is not a substitute for regular medical or other licensed care and does not, can not, and will not provide any diagnosis, prescription, or treatment options for any medical or government defined health condition wherein only a government certified, registered, or licensed professional may be deemed competent or authorized to address such issues. Should miscommunication lead to a perception that I am being provided such a service, I acknowledge that I alone bear full responsibility for any actions taken as a result.

AMENDMENT IX, U.S. CONSTITUTION

“The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people.”

Under the 9th amendment to the Constitution of the United States of America, I retain the right to freedom of choice in health care and education. This includes the right to choose my diet, and to obtain, purchase and use any therapy, regiment, modality, remedy, device or product recommended by any therapist, doctor, practitioner, consultant or advocate of my choice, deemed by anyone else right or wrong, accepted or not. The enumeration in this declaration shall not be construed to deny or disparage other rights retained by me, or my right to amend this declaration at any time.

CONSTRUCTIVE NOTICE

Notice is hereby given to any person who receives a copy of this declaration and who, acting under the color of law, intentionally interferes with the free exercise of the rights retained by me, that they may be in violation of my private property rights under the contract as well as my civil and constitutionally protected rights (see Title 42, U.S.C. 1983 seq. and Title 18, Section 241)
